

GEORGE TOMLINSON NEWS

Message from the Headteacher

Dear Parents and Carers,

We've had a superb first week back at GT! I hope that you spent a wonderful summer with your families and that you have settled back into the school routine with ease.

I have very much enjoyed meeting some of you this week! Please do come and say hello in the playground at the start and end of the day!

From next Wednesday I will be holding a Headteacher coffee morning from 9.15am – 11am for anyone who wants to meet up and discuss concerns or ask any questions. I will be available if you wish to drop in and see me. If you would like to have a more formal meeting time with me, please feel free to arrange this via my email verity.carter@georgetomlinson.waltham.sch.uk. I look forward to getting to know you all over the coming weeks.

On Thursday 29th September we will be holding a 'Meet the Teacher' afternoon for all classes from YN-Y6. This will be a chance for you to go into your child's classroom and hear a talk from their teacher about the year ahead. For parents who cannot make this, please book a time with your child's class teacher to hear this information.

On Friday we held our first Star of the Week assembly! (see pic) This will happen every Friday for all classes from Y1-Y6. It is an opportunity to celebrate pupil's achievement and parents will be invited along to attend. Well done to our stars this week!

A huge welcome to all of our new children who have started with us this week, I hope that you have enjoyed yourselves and made some new friends. Also a very warm welcome to our new staff! We are all very excited to be here at GT and look forward to a highly positive and productive year ahead.

As with all large organisations, communication can be challenging, but I am prioritising excellent communication between home and school, so that you as parents feel confident you know what is happening here in a timely and well-organised manner. I will be updating our website this half term so that it becomes a hub of up to date information. We will also be launching our social media presence, so that we have various routes for you to see the excellent, creative teaching and learning that happens at GT.

Have a wonderful weekend with your families and friends!
