**Niamh Kelly**

Dear parents and carers,

Your child's class teacher Niamh Kelly is leaving us at Christmas. She is going to go travelling with her partner around the world. We are very sorry to see Niamh go and know that her pupils will also miss her greatly. We have secured an excellent permanent teacher who will take over from Niamh in January called Alice Rivett-Carnac.

Alice has had some handover time so far with Niamh and will come in again before the holidays.

We thank Niamh for her fantastic work with the class this year so far and wish her every best wish for the future.

Kind regards,

Verity Carter  
Headteacher
